YOUNG LEIBKE, the St. Louis weakling who attempted to detain Miss Bayless in Louisville, has been dismissed by the Court, the lady refusing to gain further notoriety by appearing against him. Leibke acquits Miss Bayless of all blame, and in a newspaper card says his act was due to the influence of liquor. From this, Kentucky girls should learn the lesson of choosing better company. When a lady goes in company with a man of doubtful sobriety or morals she is sure to reap unkind comments and humiliating circumstances.

THE Shelby News says: "The next Legislature should make both rape and an attempt to rape capital offences. There should be no distinction whatever between the man who actually rapes a woman and the man who attempts to do so, because the hellish motive is present in the one as much as in the other, and the failure to carry out his fiendish design, in the case of the latter, is not due to him, but to circumstances over which he has no control. On that account he should be hung on the ground that no man in whose mind such an intention is formed is fit to live."

JUDGE J. M. VAN METER, of Ohio, who declared in numerous free silver speeches last year that wheat and silver went hand in hand, has just sold 430 bushels of wheat for \$430, and 100 bushels of seed wheat at \$110. He is having trouble explaining his oft-repeated assertion.

THE deadly cigarette continues to have its inning. At Plain City, O., Burr Graham, beat his mother and sister because they would not give him money to buy cigarettes. Then he made a bungling attempt to suicide.

THE Republican convention at Owensboro, for the Sixth judicial district, nominated L. P. Little for Circuit Judge and Joe Noe for Commonwealth's Attorney. Both Little and Noe are sound-money Democrats.

THE Civil Service Commission is overwhelmed with papers of examination for Government positions. Over 14,700 such papers are on file, and more coming.

THE slump in silver has added \$2,000,000 annually to the amount necessary to be raised by Mexico to pay the interest on its debts.

GOV. BRADLEY will be one of the speakers at the G. A. R. encampment at Buffalo.

Before he speaks to the G. A. R., Governor Bradley will, we know, thus address the porter of the car: "Please put me off at Buffalo."

Poor Blood

When a horse is poor in flesh, a new harness won't give him strength. If a house is cold new furniture won't warm it. If your strength is easily exhausted; work a burden; nerves weak; digestion poor; muscles soft; if you are pale and worn out, the trouble is with the blood. It is not so much IMPURE blood as POOR blood. Pills won't make this blood rich; nor will bitters, nor iron tonics, any more than a new harness will give strength to the horse, or new furniture will make a house warm. For poor blood you want something that will make rich blood.

SCOTT'S EMULSION of Cod-liver Oil with Hypophosphites is the best remedy in the world for enriching the blood. We have prepared a book telling you more about the subject. Sent Free. For sale by all druggists at 50c. & \$1.00. SCOTT & BOWNE, New York.

The Louisville Times remarks: The idiot who is going on a bicycle to the Klondike region hasn't yet challenged public attention, but he will wheel down to the footlights when he succeeds in inflating his tire to suit his fancy.

About 3,000 people saw ten hotly contested races decided at Dewhurst's meet at Lexington, Wednesday. R. L. Hardiman, formerly of Paris, won the one mile event, open to Bluegrass riders only, in 2:45. Almost Distracted?

Did you ever suffer from real nervousness? When every nerve seemed to quiver with a peculiar, creepy feeling, first in one place, and then another and all seemed finally to concentrate in a writhing jumble in the brain, and you become irritable, fretful and peevish; to be followed by an impotent, weakened condition of the nerve centers, ringing in the ears, and sleepless, miserable nights? **Dr. Miles' Nervine Restores Health.....** Mrs. Eugene Seales, 110 Simonton St., Elkhart, Ind., says: "Nervous troubles had made me nearly insane and physicians were unable to help me. My memory was almost gone and every little thing worried me until I was almost distracted. I really feared I was becoming a maniac. I imagined all sorts of evil things and would cry over nothing. I commenced taking Dr. Miles' Restorative Nervine and four bottles of this wonderful remedy completely cured me, and I am as well now as I ever was." Dr. Miles' Nervine is sold on guarantee, first bottle will benefit or money refunded.
